Detectives Arrest Two in Dotty's Robbery

On July 2nd at 2:05 am the Dotty's Deli located in Beaverton was reportedly robbed by a lone gunman. Detectives have now arrested two suspects in connection with the robbery. One is the clerk purporting to have been robbed, and the other is his roommate. Because the robbery was staged and the clerk purporting to have been robbed was in on it, it is considered a theft and not a robbery. For details of the original robbery report, see the original news release below.

Detectives investigating this case determined that the robbery was staged by the clerk and his roommate. The clerk who was working at the time and reported to have been robbed is 23 year old Raymond Daniel Wille. Wille was arrested on 7/8/13. The roommate of Wille is identified as 29 year old Sonny Her. Her was arrested today, 7/10/13. Both men are being charged with Theft I. A third suspect, the subject seen as the robber on the video, has not yet been arrested. This investigation continues.
